Climb

over the world-famous roof

The biggest stars play here. The biggest fans flock here. Now see this world-famous venue from a whole new angle.

At The O₂ the action doesn't just happen on stage, it also happens on the roof. Zip up your jacket. Lace up your climb shoes. Hook up your harness and make your way up to the south face of one of the most striking buildings in London's skyline.

All climbs are led by expert guides, and with its highest point standing at 52m, you will have uninterrupted 360° views of Greenwich, the Olympic Park, and Canary Wharf.

Follow in the footsteps of over one million other climbers, as well as some famous faces including **Billie Eilish, Craig David, Anne-Marie, Thirty Seconds to Mars** and **Ant & Dec**.

A multi-year winner of the **TripAdvisor Travellers' Choice Award** and an accredited **VisitEngland Quality Assured Visitor Attraction**, Up at The O₂ offers a range of climb types available to book in advance.

Ready to experience something out of the ordinary?

Climb

at your favourite time

Daytime

Climb the roof during the day. When it's clear, you can see landmarks up to 15 miles away, from historic Greenwich and the Olympic Park to Canary Wharf – marvel at the 360 panoramic views of the capital.

Sunset

Go on up as the sun goes down. Enjoy a picturesque experience of London against the backdrop of an auburn sky.

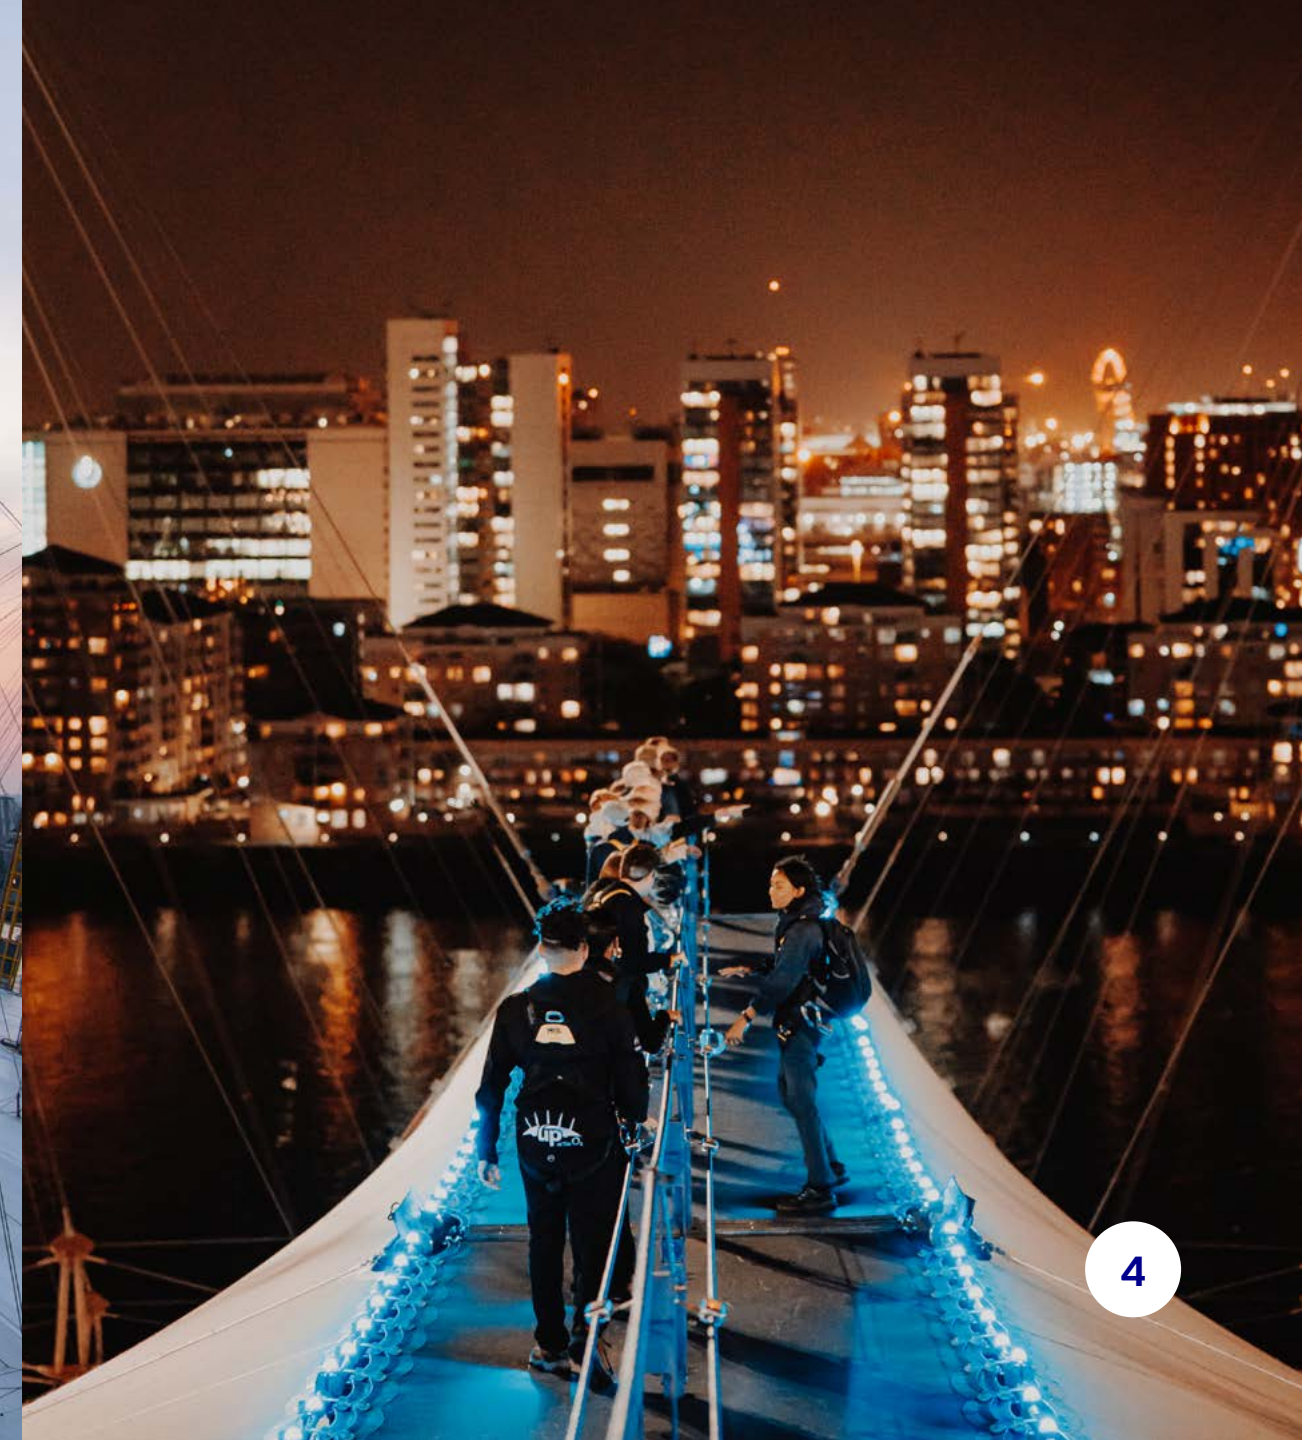

Twilight

After the sun sets, you can see London in a whole new light. Experience a Twilight climb surrounded by the colourful walkway lighting.

Something special

From rooftop yoga to afternoon teas, live comedy shows to silent disco, we have something different for everyone.

For winter 2024, we have launched the UK's highest snow globe – an immersive, ‘winter wonderland’ experience like no other. Climbers visiting the attraction will enjoy a guided climb over The O2’s iconic roof, before stepping into an immersive snowglobe.

Against the backdrop of the London skyline, it features fairytale-like falling snow, the sweet smell of cookies, and a whimsical winter set-up, making for the ultimate festive photo moment. The life-size snow globe will be returning in 2025.
